

HSBC Counterparties - Common Reporting Standard legal entity information

Updated: 7th July 2026

The Common Reporting Standard (CRS) affects both business and individuals, from the smallest account holder to the largest of corporations.

Therefore, as well as requiring our customers to provide CRS related information to us, HSBC should also provide its tax residency information to those financial institutions (referred to as "counterparties") that count us as their customer, when those financial institutions are required to carry out their CRS due diligence obligations.

To fulfil our CRS requirements, HSBC has provided the following data for each of its entities:

- Entity Name
- Registered Address
- Country of Incorporation
- Entity Type
- Jurisdiction of Tax Residency
- Global Intermediary Identification Number (GIIN) (if relevant)
- Taxpayer Identification Number (TIN)

To access this information, simply search below by any of these fields.

If you cannot find the information you are looking for, please speak to your main point of contact at HSBC.
